

Steady Growth at Lavallee Brensinger

Lavallee Brensinger Architects of Manchester, NH and Stoneham, MA is pleased to announce the promotion and recent addition of key professionals in its 45-person practice. A premier architectural firm serving clients for more than 35 years, Lavallee Brensinger is committed to creative, award-winning design solutions serving the needs of healthcare, education, corporate, and civic clients.

Kelly Bliss has been promoted to Marketing Principal. Under her leadership as Marketing Director for the past four years, the firm's external communications, marketing, and business development have successfully advanced market penetration throughout the Northeast, earning new clients and expanding Lavallee Brensinger's planning and design portfolio. In her new role, she will join Lavallee Brensinger's strategic planning team, while continuing the direction of the firm's business development and marketing efforts.

Leslie Batchelder, SDA, has been promoted to Director of Finance and Administration. She brings more than 15 years experience in business administration and finance to the firm. Leslie's sound direction and business acumen have contributed to the firm's continued, steady, and well-managed growth.

Alahe Aldo, AIA, LEED® AP has joined the firm as Principal in the Education Design Group. With a diversified background and over 28 years of professional experience, Alahe brings a national and international portfolio of work that encompasses all phases of design and delivery of education, commercial and healthcare facilities. Her technical and management skills, as well as her passion for design excellence are reflected in the innovative, yet practical solutions she develops. Her recent work includes projects at Harvard University, Lesley University, MIT, and the Runkle School in Brookline, MA.

Lavallee Brensinger Architects is a respected, full service architectural firm, with 35 years of experience, building an enduring reputation as trusted partners, strategic problem-solvers, and creative designers. Lavallee Brensinger Architects' focus on client service has fostered relationships on more than 25 healthcare campuses and the completion of over 300 education projects throughout the Northeast.
